GENERAL INFORMATION:

PROGRAM COST

A $10 non-refundable, non-transferable student registration fee (payable by personal check, cashier's check, credit card or money order) is required for each student nominated to attend the Illinois JSHS. School costs include providing for travel to and from the symposium and costs associated with the teacher's absence. Housing and planned meal functions during the Symposium are covered by the program. Extra money is needed only for personal expenses, such as meals en route, snacks, and souvenirs.

Non-nominating teachers and parents are welcome to attend, but cost will only be covered for those acting as official school chaperones, and at a one-chaperone to four-student ratio. Special concessions will be considered on a case by case basis.

ACCOMMODATIONS

All symposium participants are provided accommodation at the Holiday Inn on Rt. 13 east of Carbondale at Reed Station Road. The rooms are paid for by the program sponsors.

Students are housed four (4) per room; teachers are housed two (2) per room. Teachers may request private rooms, if rooms are available. The cost is one-half the room cost/night.

Hotel room curfew is 11:00 p.m., or earlier if required by the accompanying chaperone.

MEALS

All meals are provided by the IJSHS program, from Thursday arrival to Saturday departure. We will do our best to accommodate special dietary needs. Meals types and locations are listed below:

CHAPERONES

It is the responsibility of each teacher to supervise his or her own students, or to delegate this duty to another responsible adult. This includes assuring that all students attend all sessions, and that all students are adhering to the program schedule. In-symposium bus departures will not be delayed for students running late.

Our objective is to provide a positive educational experience for all participants. If disruptive behavior should arise, the chaperones and staff will make appropriate decisions for the benefit of all participants.

TRAVEL

Funds for travel to and from the IJSHS are not available. Teachers are expected to transport students to and from the IJSHS. Most teachers bring their students to Carbondale via cars or vans, but some travel to Carbondale by train and air.

Interstate 64 is 45 miles north of Carbondale, and Interstate 70 crosses Illinois 90 miles north of Carbondale.

PARKING

Parking permits for the visitor meter lots directly across the street from the Student Center are provided to teachers at registration.

When viewing the down-loadable SIU Parking Map, the primary locations and associated parking areas of the IJSHS are the SIUC Student Center and Morris Library.

Or you can use the interactive SIU parking map via the web to get directions to these buildings from any location.

PROGRAM DRESS

The program dress is comfortable and casual. Participants dress professionally for the student paper and poster presentations. The banquet is a dressier affair. Remember to bring appropriate attire for enjoying the Student Recreation Center facilities. With the unpredictability of spring weather, warm cloths and an umbrella are recommended.
