

# SIDAC 2026

# REGISTRATION FORM

Thursday, March 12 and Friday, March 13, 2026

SIU Carbondale, Student Center

## *Strength in Partnership: Communities United for Prevention, Treatment and Recovery*

The Southern Illinois Drug Awareness Conference provides a vital platform for collaboration and education, bringing together local agencies, community stakeholders, and professionals from diverse sectors to address the critical intersectionality of substance use, mental health, and homelessness. This two-day event is dedicated to fostering understanding, sharing innovative practices, and building partnerships that create lasting impact in our communities. Participants will include social workers, educators, law enforcement, healthcare providers, child and family service representatives, prevention specialists, treatment providers, recovery support specialists, and veterans' organizations.

Join us as we work together to build stronger, healthier communities in southern Illinois. Together we can drive meaningful change and create pathways to recovery and hope. **CEUS: IAODAPCA = 14 Social Work = applied TBD**
