

Education Conferences and Professional Development

Southern Illinois University Carbondale's Conference and Scheduling Services Office offers numerous interesting and intriguing opportunities for educators to earn Continuing Professional Development Units.

Conference on Teaching Mathematics (ICTM)

K-12 teachers will learn more about the Standards for Mathematical Practice that hold the key to teaching and preparing students for future Common Core Assessments.

Closing the Gap Conference

Strategies and techniques for educators of students from Pre-K through college will be presented. Elementary, high school, college and university faculty and future teachers can attend workshop and breakout sessions targeted to their needs.

Science in the South Conference

Join K-12 educators from across Illinois to build your teaching skills, expand your content knowledge and network with other teachers to exchange ideas.

Southern Illinois Law and Leadership Conference

The Southern Illinois Law and Leadership Conference is an opportunity to strengthen the southern Illinois leadership network and school partnerships. This conference is an important professional development and networking opportunity for principals, superintendents, school board members and others in the southern Illinois region.

Ed2Go (Education to Go)

More than 300 different instructor-facilitated, online courses and certifications in a variety of areas, topics and specialties comprise this program. These non-credit courses are project-oriented and include lessons, quizzes, hands-on assignments, discussion areas, supplementary links and more. Many courses are designed for teachers!
