

Dental Professionals Seminar

October 11, 2024

Featuring Kristin Evans, BS, RDH- “The pH RDH”

Kristin Evans BS, RDH graduated from Idaho State University and has been a clinical dental hygienist for over 30 years in Boise Idaho. Kristin expanded her career and became a professional educator in 2019 and an independent speaker in 2022. She loves educating dental professionals so they can understand their role in improving patient health. Kristin is passionate about researching oral health, functional nutrition, and the oral-systemic connection. She is professionally known as “The pH RDH” due to her passion for pH neutralizing and promoting health. She is a published writer and has articles in RDH Magazine and Dentistryiq.com. Her goal is to change lives with simple strategies and powerful education by bridging the gap between mental, physical, and oral health. Kristin is a wife, mother of three (now six), and grandmother of four.
