Unmanned Aircraft Systems Certification Course

March 11-12
9 a.m.- 4 p.m.

Registration Information

• The registration fee for the full course is $250.

• The course will take place virtually and a Zoom link will be sent prior to the start of the course.

• Deadline to register is March 5

• Registration options are available at conferenceservices.siu.edu.

• For more information, contact Mike Robertson, Professor in Aviation Management and Flight, at mrobertson@siu.edu or Conference and Scheduling at 618/536-7751.

This is a two-day course to assist individuals in gaining their FAR Part 107 UAS Certification. The curriculum will cover everything that you need to know to pass the aeronautical knowledge test. Subjects to be covered include UAS regulations, National Airspace System, weather, airport operations, aeronautical decision making, radio communications and more.

Included in the workshop are practice tests but the FAA knowledge test for certification must be scheduled on participants own time.
