**Death and the City: Understanding Ancient Life through Cemeteries**  

Dabbs and her colleagues have excavated the ancient non-elite cemeteries of Al-Amarna, the birthplace of Nefertiti and King Tut. Researchers have found that the non-elite suffered nutritional deficiencies, heavy workloads, and rampant disease—certainly not the life, health, and prosperity that was the goal of Ancient Egyptian life.  

Professor Dabbs is a Physical and Forensic Anthropologist. She conducts bio-archaeological research, specifically examining human skeletal remains for evidence of health and nutrition, both in the Middle East (Egypt) and the North American Arctic, two very different environments linked by their desert status.

Please join Southern Illinois Group for Coffee & Donuts and the St. Louis Symphony as they Present Copland’s Third Symphony on Friday, November 16, 2018.

6:30am Departure from the South End of the SIU Arena Parking Lot

We will make our way to Powell Symphony Hall this morning for their popular program — the Coffee and Donuts Concert. We arrive just in time for the pre-concert lecture. Enjoy this interesting perspective of the music which you will hear about from one of the conductors of the Symphony.

Then make your way to the Concert Hall and enjoy your coffee and donut as you pass by.

Today Cristian Macelaru conducts the St. Louis Symphony for Copland’s Third Symphony and Principal Bassoon Andrew Cuneo performs the world premiere of Rouse’s Bassoon Concerto, commissioned by the SLSO. The Symphony’s Principal Bassoon Cuneo takes center stage for the world premiere. Copland’s Third Symphony was written to reflect the euphoric state of the country immediately following World War II. The last movement of Copland’s Third Symphony pays homage to the composer’s famous Fanfare for the Common Man.

After the concert, return to our motorcoach and travel to the “Hill” for a late lunch at Favazza’s. Enjoy a House Salad, with Sicilian Chicken, a Side of Pasta with Hot Bread and Butter and Cannoli for dessert. After lunch, we’ll stop at the Missouri Bakery here on the “Hill” for a little shopping time. Then we’ll return back to Carbondale arriving at approximately 6:30pm.

PER PERSON COST: $112.00
For Information Please Call:
Don Boehne - 618-549-1319

All payments are non-refundable.
Reservations are due no later than October 1, 2018. Due to the policy of the Symphony all payments are due by that date and are non-refundable. Please Call 618.536.7751 with your payment information. If adequate numbers are not met the tour will cancel and all monies refunded back to you.

Learning in Retirement Course Cancellation/Refund Policy:

For more than 10 years “Third Wednesday” SILIR meetings have included coffee, tea and “treats” thanks to the organizational efforts of Fran Oros. This has involved nearly every month arriving about an hour before “Coffee Hour” to ensure all is set up and welcoming food and drinks are available. Before SILIR began purchasing coffee and treats from Cristaudo’s Fran tirelessly solicited volunteers to make coffee and provide treats.

When not organizing and overseeing SILIR “Hospitality” duties Fran has taught a variety of 5 week Learning in Retirement classes. Based on her education (Master’s degree in chemistry from SIU) and teaching experience at Shawnee Community College, Fran offered classes on infectious diseases, epidemiology, genetics and other science based topics.

Fran’s travels to Mexico, Central and South America inspired her pursuit of further knowledge of these area cultures. She used her knowledge and experience to teach a number of SILIR classes on indigenous Mesoamerican and South American cultures.

When asked what she enjoys about Southern Illinois Learning in Retirement Fran shared that she likes teaching classes to people who take them for the enjoyment of learning and not having to grade them! She also values SILIR trips.

Music and Art at “304” in Carbondale

SILIR members need not travel to St. Louis or visit SIU for culture. **304** West Walnut Street, is the home of CCA, Carbondale Community Artspace 304. Each third Thursday “Sandwiches and Strings” provides a variety of local music during the noon hour. Bring a brown bag or food from a local restaurant and enjoy live classical strings in downtown Carbondale.

The program began in October of 2017 at the suggestion of Skip Cutting, local classical guitarist, oil painter, and all around cultural enthusiast. He approached CCA with the idea to enhance monthly visual arts exhibits at 304 by incorporating a monthly live strings musical performance. CCA thought it a wonderful concept to nurture. With the help of Skip’s friend Ken Wollberg of Heart Strings Violin Studio, the two have been co-directing the program, scouting and scheduling talented local strings musicians to volunteer their time and perform for the community.

Upcoming programs include:
* October 18: Classical Guitar by Timothy Steis
* November 15: Solo Violin by Augustine Zehnder
* December 20: 2018 Christmas Program
