

Dental Professionals Seminar

October 20, 2023

Featuring Thomas A. Viola, R.PH., C.C.P

With more than 30 years' experience as a board-certified pharmacist, clinical educator, professional speaker, and published author, Tom Viola, RPh, CCP, has earned the reputation as the go-to specialist for making pharmacology practical and useful for dental teams. He is the founder of Pharmacology Declassified and is a member of the faculty of more than 12 dental professional degree programs. Viola has contributed to several professional journals and pharmacology textbooks, and currently serves as a consultant to the American Dental Association's Council on Scientific Affairs.
