6-9: will be exploring glass as an artistic medium

Registration will be completed through the Office of Conference and Scheduling Services. To best serve your artists, this session we will be capping each grade group at 15 students, so register early to ensure a spot. The Southern Illinois University requires everyone in campus buildings to wear a mask. All students attending must be able to fulfill this requirement. Snacks will be served outside to accommodate SIU guidelines. Please visit the SIU COVID INFORMATION page for a complete list of COVID protocols: siu.edu/coronavirus/
