Science in the South
Jan. 25, 2019 • Southern Illinois University Carbondale Student Center
The 23rd Annual Regional Conference on Science Education

Program Information
Join K-12 educators from across Illinois to build your teaching skills, expand your content knowledge and network with other teachers to exchange ideas. Whether you are a first-year teacher looking for new ideas or a veteran teacher looking for ways to energize your classroom, Science in the South offers a variety of workshops that will be relevant, informative and fun! Don’t miss this opportunity to walk away with ready-to-use, hands-on activities and lesson plans for all grade levels!

KEYNOTE SPEAKER
Michael Wysession, Executive Director of Washington University’s Teaching Center

Call for Presentations
All educators are invited to present any science-related topics that would be of interest to K-12 science teachers. Each accepted presenter will be required to pay $25, which includes breakfast, lunch, exhibit viewing, session viewing and parking pass. An ISTA membership may also be purchased for an additional $25. For further information, please visit conferenceservices.siu.edu
