June Speaker: Miriam Link-Mullison  
Jackson County Health Department  

What Your Health Department Offers Your Community:  
Potential & Challenges  

Miriam Link-Mullison will share the potential value local health departments provide their communities, what stands in the way of this role being met and the role of the public in supporting public health.

Miriam was the director of Jackson County Health Department for 20 years and former president of Illinois Public Health Association. She was an adjunct professor of public health at SIUC from 2017-2022. She also consults on public health workforce training and strategic planning.

**Time to Renew Your Membership**

If you haven’t already renewed your membership in Southern Illinois Learning in Retirement (SILIR), do so now to be eligible for fall classes. The SILIR Curriculum Committee has slated a wide variety of classes on topics such as literature, law and politics.

Membership in SILIR runs from **July 1 - June 30** the following year. Sign up now for the benefits of membership: classes, speakers, interest groups and access to trips. The cost of membership remains the same as it has been for over 10 years, thanks to the many teachers and speakers who provide “life-long learning” to our members with little compensation. Below is a list of current members who have given so freely of their time to teach SILIR courses. Be sure to thank them for their efforts:
